

Love has no pride

music & lyrics: Eric Kaz & Libby Titus

I've had bad dreams too many times
to think that they don't mean much anymore
Fine times have gone left my sad home
frinds who one's cared just walk out my door

Love has no pride when I call out your name
Love has no pride when there's noone left to blame
I'd give anything to see you again

I've been alone too many times nights
to think that you could come back again
I've heard you talk she's crazy to stay
but this love hurts me so I don't care what you say

Love has no pride when I call out your name
Love has no pride when there's noone left to blame
I'd give anything to see you again

If I could buy your love - I'd truly try my friend
and if I could pray - my prayer would never end
If you want me to beg you - I'll fall down on my knees
asking for you to come back - I'll be pleading for you to come back
begging for you to come back - to me

Love has no pride when I call out your name
Love has no pride when there's noone but myself to blame
I'd give anything to see you again
Yes I'd give anything to see you again
